

## Focus FAQs

### **Who can come to Focus?**

Focus is for the entire Christ Church community.

### **Can my kids come?**

Absolutely! Focus is an all ages event and we want to encourage all families with children to come. We will be providing childcare during all main worship sessions and during a part of Saturday free time. Our Nursery will have dedicated caregivers that have been screened to our safety and care standards. Our older kids will have programming that includes worship, games, stories and crafts along with some exciting activities designed just for them!

### **What do teenagers do at Focus?**

Our students will have their own accommodations and worship and teaching times designed just for them. They will experience community as they learn and play together all weekend long.

### **Can I volunteer at Focus?**

Yes! We will need TONS of volunteers to make Focus a great experience. Areas to serve in include hospitality, welcome team, kids, students, load-in/load-out, rec team, and more! You will be asked to attend a Pre-Focus volunteer gathering to explain your tasks and prepare for the weekend. If you are interested in serving, please check one of the boxes under "I'd like to help" when you register.

### **When and where do I check in?**

Check-in will open at 5pm at Youthfront. We will have welcome team members who meet you at your car as soon as you enter the camp to give you instructions and get you checked in.

### **What are the rooms like?**

Our primary lodging will be in the cabins that surround the beautiful lake. We will have some cabins that are designated for families and some that are for singles and separated by gender. Each cabin has 5 rooms and fits 18 people. There is a communal bathroom on the bottom floor of each bathroom.

### **Am I required to stay on site?**

You are not required to stay on site, but it is HIGHLY encouraged! We want everyone to experience Focus in the fullest way possible, and we believe that leaving "home" completely for the weekend is the best way to do that. There is no discounted price for those not staying on site.

### **Can I pick my roommate?**

Yes. When you register, there will be a box that asks if you have a preferred roommate or family to be housed with. We cannot guarantee all roommate requests will be able to be fulfilled, but we will do our best!

**Do I have to pay more for recreation activities?**

No! All of the rec activities are covered in your registration including the pool, lake, and water-slide!

**What should I pack?**
