

CORONAVIRUS UPDATE:

Freedom Fire cares for those greatly impacted by the worldwide crisis due to the coronavirus. In response to this, we will be distributing care packages to children and families living in and around federal housing. We will also distribute similar care packages to the homeless.

We are asking our ministry partners and volunteers to help by putting together care packages. Please note the list below. If you could assemble most, if not all, of those products in individual care packages that can be distributed, it would be of great service.

CARE PACKAGE LIST:

- Peanut Butter & Jelly
- Bread (2 loaves per bag)
- Canned Food (i.e. SpaghettiOs & Ravioli)
- Ramen Noodles
- Granola Bars
- Pop Tarts/Pastries
- Fruit (Fresh & Canned)
- Soap
- Paper Products (Toilet Paper & Paper Towels)

**** Please pack all items into a paper bag or box. ****
